

Recommendation Letter

January, 14th 2024

To whom it may concern

I would like by the present letter recommend Mr **BENYAKHOU ELHADJ LARBI** from University of Mascara - Algeria preparing a MA degree in the computer science department in the field of Intelligence Systems engineering.

He was my student in his bachelor's degree.

BENYAKHOU ELHADJ is very motivated by his research and will be of great interest for a future study if he is given an opportunity to express himself in the optimal circumstances.

Dr. BOUFERA FATMA
